The claims are directed toward a system for monitoring the progress of subcontractors on various activities of a construction project. Each subcontractor accesses a web site to update his/her status. Reminders may be sent to those who haven't updated their respective status. Any requests made by subcontractors for changes in the project may be posted for subsequent approval by the contractor. Notifications of all status changes are sent to the relevant parties. The Pre-Grant Publication of the instant application is 2002/0087381.

**Special Instructions and Other Comments:**

(For fastest service, let us know the best times to contact you, in case the searcher needs further clarification on your search.)

Press ALT + F, then P to print this screen for your own information.
